

REMARKS

The Office Communication, i.e., the Notice of Non-compliant Amendment, stated that applicants' tendered amendment was non-compliant because (1) the listing of the claims did not include the text of all claims; and (2) that deletions in the claims should be indicated by lining through, rather than by bracketing.

As applicants have now made appropriate corrections to the affected section of the amendment, namely, the "Amendments to the Claims" section, applicants respectfully request that the amendment proceed to the examiner for an examination on the merits.

Should the Examiner deem that any further action on the part of applicants would be desirable, the Examiner is invited to telephone applicants' undersigned representative.

Respectfully submitted,

Jeffrey R. Ramberg
